### COMING THIS WEEK.

The Gathering of Republican Clubs in Topeka.

The state convention of the Republican clubs of the state will assemble in Topeka on Thursday, April 5th, at 10 a. m. Every Republican club in the state is entitled to send three delegates and three alternates and the president of each club is a delegate ex-officio. The county vice presidents will also be given seats.

Thirty-eight delegates to the National league convention which meets in Denver, June 26th, are to be elected. From the number of clubs reporting to the secretary it looks as if this convention will be a great gathering of the faithful. Every railroad in Kansas has made an open rate of one and one-third fare for the round trip. Tickets can be purchased on the 4th and 5th and are good until the 7th.

This gives an opportunity for everybody who desires to visit Topeka to do so at very little expense—Democrats and Populists, women and children. Everybody ought to take advantage of this chance to visit the capitol.

Hon. J. H. Harkless, president of the Missouri State league has accepted an invitation to address the convention and it is probable Major Wm. Warner and Webster Davis of Kansas City, will attend the meeting.

The Topeka citizen's committee are busily engaged in preparing for the convention. The Modoc club and Dispatch band will furnish music.

### UNDER THE BAN.

The Receivers of the Defunct Burlington Insurance Company.

State Superintendent of Insurance S. H. Snider is after the receivers of the defunct Burlington insurance company and has issued the following:

"It has come to my notice, that the receiver of the Burlington insurance company, of Burlington Iowa, W. E. Blake, has sent out notices and is endeavoring to collect the unearned premium notes of policy holders of said company in this state; now therefore I, S. H. Snider, Supt. of Ins. of the state of Kansas, do hereby notify policy holders in said company that they are not liable for said notes, first, because there is a provision in the policies issued by said company stipulating that if said notes are not paid when due the policy will be forfeited; second, the company having failed and passed into the hands of a receiver Feb. 14th 1894, there can be no value received for said notes and

therefore they are void and collections cannot be enforced."

### A WOMAN HANGED.

Margaret Walber, 53 Years of Age, Executed at Liverpool.

LIVERPOOL, April 2.—Margaret Walber, 53 years of age, was executed today in Walton jail, this city.

Mrs. Walber, in November last, murdered her husband. The woman, who was extremely jealous of the deceased, confined him in a garret, chained and padlocked him until he was hardly able to move, and otherwise brutally ill-treated him. When the room was entered Walber was found dead, the apartment in which he had been imprisoned resembling a shambles, blood being spattered all around it. The prisoner at her trial admitted striking her husband over the head with a heavy chain.

A large crowd of people assembled outside the jail during the execution. Reporters were not admitted.

### TO MARK OUR LIMITS.

Monuments to Be Placed Along the Mexican Boundary Line.

SAN DIEGO, Cal., April 2.—A number of men in the employ of the American commissioner at present engaged in adjusting the boundary line between the United States and Mexico has just left Yuma, to proceed with the work of placing monuments along the line towards Tia Juana.

This work will consume nearly two months. It will be nearly a year before the boundary survey is entirely finished, owing to the slow time made by the Mexican commissioners who are also engaged in the work.

### GRABBED HER POCKETBOOK.

A Bold Robbery in the Postoffice at Wichita.

WICHITA, Kan., April 2.—Saturday evening Anna Davis was held up at the postoffice and robbed of her pocketbook with considerable money in it. She grabbed the thief and shouted for help. He struck her down and made his escape by running and mixing in the crowd. Yesterday Detective Woods captured the thief who gives his name as Frank Winscott.

The robbery being committed on government property lays the thief liable to federal jurisdiction, and he will be turned over to the United States marshal.

WHO WROTE IN THE NAME?

A Lively Tilt Between Lawyers Over an Alleged Irregularity.

Lawyers Eugene Quinton and Cliff Hister had a lively bout before Judge Hazen in the district court this morning.

The hearing of the garnishee case in which one of the traveling men of N. J. Schloss & Co. seeks to garnishee funds in the hands of the Palace Clothing company, was before the court.

Lawyer Cliff Hister, representing Schloss & Co., asked to have the garnishment set aside, on the grounds that there were some fatal irregularities in the papers in the case.

He pointed out to the court that the affidavit for garnishment had been tampered with and the names of the Palace Clothing Co. and of Auerbach & Guetel had been written in the paper after the affidavit had been sworn to.

Lawyer Eugene Quinton said the papers were prepared in the office of the clerk of the district court and that he had sent Howard Wood to the store of the Palace clothing company to get the correct name which was written in the paper by one of the employees in the clerk's office.

Judge Hazen continued the hearing of the case until next Monday, when the lawyers must be prepared to show who made the alterations in the papers, if any were made.

### APRIL TERM OPENS.

A Number of Criminals Enter Their Pleas as Guilty.

The April term of the district court convened this morning, and Judge Hazen announced that he expects to dispose of all the criminal business of this week and be ready to take up civil cases by the first of next week.

Five criminal cases were disposed of in short order, the defendants in each case pleading guilty.

John Whips entered a plea of guilty to violating the prohibitory law on two counts, and was sentenced to serve sixty days in jail and pay a fine of \$200.

Frank Skinner pleaded guilty to selling liquor on one count, and was fined \$100 and sentenced to sixty days in jail.

Mike Halloran entered a plea of guilty to the charge of selling liquor on one count, which was filed against him, and was fined \$100 and sent to jail for thirty days.

Cal Mitchell the colored boy who was arrested several months ago for shooting at Officer Capron, pleaded guilty to the charge of assault and was sentenced to the charge in jail and pay a fine of \$1 and costs. An effort was made to have him sent to the reform school but Judge Hazen says he has no authority to send him there.

Henry Riordan who was arrested a few months ago for stealing a watch last summer entered a plea of guilty and was fined \$30 and costs. The watch was said to have been worth \$6.

GOOD FOR JUDGE BOTKIN.

He Is Taking the Keeley Cure and Will Try to Reform.

Ex-Judge Theodosius Botkin of the thirty-second judicial district, whose impeachment trial made him famous, and who has always been considered the champion drinker of the southwest, has determined to reform and quit drinking.

He has arrived in Topeka and is now at the Keeley institute on West Sixth street, where he will take a course of treatment.

Judge Botkin's acquaintances have always regarded him as a good fellow, and it is the general impression that he would be a pretty decent kind of a man if he would let liquor alone.
